Mission
The mission of the Office of Academic Support Program for Student Athletes at North Carolina State University is to support the recruitment, retention and graduation of NC State student-athletes; to provide a comprehensive support system that affords NC State student-athletes equitable opportunity to pursue academic, personal, and professional development; and to strongly adhere to the principles of integrity, excellence, and lifelong learning.

History
The Academic Support Program for Student-Athletes began in July of 1983. Since 1986, the unit has reported through the Provost’s Office. The program serves all current student-athletes regardless of scholarship status and former student-athletes returning to complete their degree.

People
- 13 professional staff
- Numerous tutors, monitors, and temporary employees to assist with the day-to-day support services

Facilities
The Case Academic Center is centrally located on campus adjacent to Reynolds Coliseum. All staff members are located in the academic center. In addition to staff offices, the facility also includes computer labs, quiet study rooms, small tutorial rooms, and group tutorial space. All structured study sessions for student-athletes occur in the facility unless prior approval is granted.

Activities
- Serve as advisors of record for student-athletes in the First Year College
- Serve as supplemental advisor for student-athletes in a major
- Monitor academic progress of all student-athletes and communicate information to Coaches, Academic Administration, and Athletic Administration
- Develop individualized academic support plan which could include individual meetings with Academic Coordinator, structured study hall, individual and/or group tutoring, monitoring of class attendance
- Monitoring of compliance with all NCAA, NC State, and ACC academic policies
- Instruction of University Education courses for first year student-athletes

Participation
- Approximately 560 student athletes currently served
